Cllr Haskey requested an update on the meeting held with the Community Health Council and Gray Hill Surgery 23.2.06 and requested Town Council pursue its request for her and Cllr J Daniels to meet with Gray Hill Surgery in relation to ongoing issues, despite previous advice to use a Medical Board advocate to act on Town Council's behalf.

Cllr Haskey stated she had contacted local Police, Mon CC Licensing Department and Caldicot One-Stop-Shop and expressed concerns of potential accidents occurring in the area, due to impaired visibility.

It was resolved to write to the perpetrators to request the minibuses are parked away from the junction of Birbeck Road to minimise any potential road safety issues, failing which to pursue this matter with Mon CC.

Proceedings were suspended to allow Mr Giles Ballisat, Area General Manager, Severnside to update Members on youth provision in Caldicot.

A discussion ensued and reference was made to the Youth Service sharing premises with Home Tuition in other towns in Monmouthshire and also to the other towns apparently obtaining grant funding for Youth facilities.

Members expressed concerns of the suitability of using the CAB building long term, due to the size of the building and the number of youths it would need to accommodate. Concerns were also expressed about the negative effect occupying the CAB building could have on Mon CC's priority of pursuing larger, more suitable premises once the youth service had taken up occupation in the CAB building.

It was requested that Mr Giles Ballisat, Area Manager Severnside, consider inviting Cllr Liz Hackett Pain to a Severnside Area Committee meeting.

It was resolved to write to Cllr Liz Hackett Pain [copy to Cllr Peter Fox] to express Town Council's views and to support the short term initiative only for the youth service to occupy the CAB building.

**(15) Cllr J Marshall**

**Re: TC meeting 22.2.06**

Town Council considered correspondence from Cllr J Marshall in relation to comments made to him by Cllr R J Higginson at Town Council meeting 22.2.06, which he considered to be offensive.

It was proposed by Cllr G Jenkins and seconded by Cllr D Evans that in the absence of Cllr Higginson, this item be deferred to the next meeting as per Town Council's usual precedent.

Cllr Marshall referred to Standing Orders and requested the Mayor allow this item to be considered at the meeting. The Mayor questioned if this matter should be considered under Committee, nevertheless Cllr Marshall requested his letter be considered in open Council and requested his correspondence be read out. It was requested that the correspondence be accepted as written but Cllr Marshall insisted on reading out his letter.

Cllr Marshall repeatedly requested "for the record", if the Mayor and Members considered Cllr Higginson's conduct at the meeting to be acceptable. The Mayor apologised to Cllr Marshall for not stopping Cllr Higginson addressing Cllr Marshall at the time.

It was stated that Cllr Higginson had a right to respond in this matter and it was requested that this item be deferred to Planning Committee 11.4.06.

**i) Correspondence Twinning Association**

Town Council considered correspondence from Caldicot Twinning Association listing hosting arrangements, details of funds raised for the forthcoming twinning visit and requesting Town Council pay for transport on Wednesday 3.5.06 instead of Monday 1.5.06 at no extra cost to the Council as hire of the Grass Routes Community Transport Bus was to be requested to save Twinning Association funds.

It was stated that the Grass Routes bus was not available for hire as it would not arrive in Severnside until early May 06. Cllr Evans stated he had arranged for two limousines from Robert Howells to transport the visitors to London 1.5.06 free of charge. The Mayor advised Cllr Evans that this option was not feasible as 15 persons were now returning to London, not the original 13 persons.

Reference was made to the further increase in numbers participating in the visit and to arrangements being made outside of Town Council office.

It was clarified that the official Civic dates for the twinning visit were Friday 28.4.06 to Monday 1.5.06 and any arrangements made outside these dates would be entirely on a private basis. It was stated that Town Council's previous decision to transport French visitors back to London on Monday 1.5.06 should stand [Min 7623 (ii) '*It was resolved that Town Council provide one return trip only to London on Monday 1.5.05*'] and it was requested why Town Council was now being asked to pay for the return journey on Wednesday 3.5.06 instead.

The Mayor stated a minibus would be required on Monday 1.5.06 to transport to London whereas on Wednesday 3.5.06 a coach would be required.

A lengthy, confusing discussion followed and the Clerk was repeatedly requested to clarify the additional cost of £100 - £120 between the minibus [Monday] and coach [Wednesday]. Members repeatedly questioned why Twinning Association had requested the change of transport dates. The Mayor stated that rather than Town Council pay £300 for transport on Monday 1.5.06 it could be donated to Twinning Association and used towards transport costs on Wednesday 3.5.06, leaving Twinning Association to pay for transport 1.5.06 out of its funds.

The Clerk referred Town Council to its responsibility for the French delegation during the Civic dates 28.4.06 – 1.5.06, referred to insurance for the visit and stated Town Council had a duty to return the Civic party on Monday 1.5.06.

It was proposed that £300 be donated to Twinning Association towards transport costs to London 1.5.06, subject to valid receipt.

The Clerk sought clarification from Town Council that it was handing over responsibility of returning the civic party to London 1.5.06 to Caldicot Twinning Association and that her involvement would be dissolved prior to 1.5.06.

It was resolved to donate £300 to Caldicot Twinning Association towards transport costs to London 1.5.06, subject to valid receipt.

Reference was made to hire costs being reduced from £4/hour to £2/hour during office hours and to the cost of opening/closing the building.

**c) Extract DLCVC Constitution [Circ]**

Town Council resolved to subsidise the hire of DLC [JD/DA]

**d) Feasibility of Block Bookings Re: Availability to all Community Groups**

It was resolved that community group bookings could be made on a fortnightly basis in order to ensure all community groups were given an opportunity to hire DLC in view of the hire costs.

Costs for provision and installation of dog bins from Merlin Waste Control Specialists were also considered.

Cllr R Stewart stated he had spoken to Merlin Waste who had offered to install 12 “second hand” dog bins at a cost of £50/bin including installation.

Reference was made to Mitel or surrounding businesses being requested to sponsor the upkeep of the roundabout.
